

Call for Participation

We invite you to join us in **6th International Conference on Cloud Computing and IoT (CCCIoT 2025)**.

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Cloud computing and IoT. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field. Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, surveying works and industrial experiences that describe significant advances in the following areas, but are not limited to.

Highlights of CCCIOT 2025 includes:

- 6th International Conference on Machine Learning and Soft Computing (MLSC 2025)
- 11th International Conference on Software Engineering (SOFE 2025)
- 11th International Conference on Information Technology Convergence and Services (ITCSS 2025)
- 11th International conference on Advanced Computing (ADCOM 2025)
- 11th International Conference on Natural Language Processing (NATP 2025)
- 6th International Conference on Artificial Intelligence and Big Data (AIBD 2025)
- 6th International Conference on Signal Processing, VLSI Design & Communication Systems (SVC 2025)
- 11th International Conference on Advances in Computer Science and Information Technology (ACSTY 2025)
